Proposal

The applicant proposes use of apartment number 3 of a three unit building as a vacation rental property. A vacation dwelling unit allows for periods of occupancy of 2 to 29 days, with a minimum stay of 2 nights.

| Subject | MU-N | Multifamily residential | Central Business Secondary |
| North | R-2 | Multifamily residential | Central Business Secondary |
| South | F-4 | Commercial | Central Business Secondary |
| East | MU-N | Single family residential | Central Business Secondary |
| West | MU-N | Multifamily residential | Central Business Secondary |

Summary of Code Requirements:

UDC Section 50-19.8. Permitted Use Table. A Vacation Dwelling Unit is an Interim Use in an MU-N District.

UDC Sec. 50-37.10.B . . . Council shall make, a decision to adopt, adopt with modifications or deny the application based on the criteria in subsection C below. The . . . Council may impose appropriate conditions and safeguards, including but not limited to financial security pursuant to Section 50-37.1.P, a development agreement regarding the design, construction, and operation of the special use, to protect the Comprehensive Land Use Plan, to conserve and protect property and property values in the neighborhood and to ensure that all conditions of the special use permit will continue to meet.

UDC Sec. 50-37.10.E . . . the Council shall only approve an interim use permit, or approve it with conditions, if it determines that:

1. A time limit is needed to protect the public health, safety and welfare from potential longer term impacts of the requested use in that location or to allow the city time to develop a regulation addressing the potential longer term impacts of the requested use in that location; 2. The applicant agrees to sign a development agreement with the city confirming that (a) approval of the permit will not result in increased costs to the city if the property is later acquired by the city through eminent domain; (b) the use will be terminated at the applicant's expense on the,

date(s) stated in the permit, (c) the termination of the interim use as stated in the permit will create no rights to a nonconforming use and no rights to compensation for termination of the use or for the value of any structures of improvements related to the use, and (d) the applicant agrees to all conditions imposed by the city. No interim use permit shall be issued until a development agreement confirming these points is executed.

Review and Discussion Items:

- 1) The building is a 3-unit rental property consisting of 2 apartments on the second floor and one unit on the main level
- 2) The second floor unit that is proposed for the vacation dwelling unit is a 2-story unit with living and sleeping rooms on the third level. The two levels within the unit are connected via an open stairway.
- 3) The applicant's property is located on East Superior Street. The proposed vacation dwelling unit has 2 bedrooms, which would allow for a maximum of 5 people.
- 4) Permit holders must designate a managing agent or local contact who resides within 25 miles of the City and who has authority to act for the owner in responding 24 hours a day to complaints from neighbors or the City. Permit holder must provide the contact information for the managing agent or local contact to all property owners within 100 feet of the property boundary. Applicant will act as managing agent.
- 5) Parking for the apartment building is located in the rear yard area of the property. Access to the parking lot is through the use of a shared driveway with the property adjacent to the west. A copy of the shared access agreement has been provided. The off street parking required for the 2-bedroom vacation dwelling unit is 1 parking space and is provided.
- 6) The site plan submitted indicates there are no exterior amenities available. The site plan shows existing screening/buffering in the northwest corner of the rear yard from the adjacent property. The east side of the property has a combination of building, shrubs and trees for screening. An existing detached garage is located in the northeast corner of the adjacent property.
- 7) A time limit on this Interim Use is needed to minimize negative impacts to surrounding residential uses thereby causing damage to the public's health, safety and welfare. Section 50-20.3.U.7 states the interim use permit shall expire upon change in ownership of the property or in six years, whichever occurs first.
- 8) Applicant will need to complete an inspection from the Minnesota Department of Health as part of the process for obtaining a Lodging License, and one with the City's fire prevention office. The Applicant will also need to apply for a Hotel/Motel License and a Tourism Tax permit.
- 9) Applicant must comply with Vacation Regulations (included with staff report), including providing information to guests on city rules (included with staff report as "Selected City Ordinances on Parking, Parks, Pets, and Noise").
- 10) No citizen or City Department comments were received on this zoning application.

Comprehensive Plan Governing Principle and/or Policies and Current History (if applicable):

Governing Principle #8 - Encourage mix of activities, uses, and densities

Future Land Use – Central Business Secondary:

An area adjacent to and supporting the primary central business area or a stand-alone area providing a similar mix of destination land uses but at a lower intensity than the primary CB area. Includes mixed regional and neighborhood retail, employment centers, public spaces, medium density residential, and public parking facilities

The site is developed consistent with the future land use as described and the applicant is not proposing alterations to the use.

Staff Recommendation:

Based on the above findings, Staff recommends that Planning Commission recommend approval subject to the following:

- 1) The Interim Use Permit shall not be effective until the applicant has received all required licenses and permits for operation.
- 2) The applicant shall adhere to the terms and conditions listed in the Interim Use Permit document and provide evidence of compliance, which will be included in the resolution.
- 3) The applicant must disclose to all guests, in writing, that quiet hours shall be observed between the hours of 10 p.m. and 8 a.m.
