Interests & Experiences

Why are you interested in serving on a board or commission?

I have lived in Duluth since 2004 when I first attended school at the University of Minnesota Duluth. Upon graduation in 2008, I have made a commitment to this community as a place I want to live and raise my family. I live in Lakeside with my wife Maggie and our dog Harlow. I have been actively involved in the Chamber of Commerce, Fuse Duluth and my alma mater, the Labovitz School of Business. I care about this town, its future, and making sure young people view this as a place to love and work, as I once did.
