Community Development Committee, Duluth Public Arts Commission, Entertainment and Convention Center Authority, Heritage Preservation Commission, Parks and Recreation Commission

Interests & Experiences

Why are you interested in serving on a board or commission?

I have been very involved in the community through volunteer work and various boards at East High School. I really enjoy helping to solve problems and implementing new ideas. Now that my children have graduated I am interested in contributing to the community in other ways. I believe my experience and ideas could be helpful and hope I might be able to serve the greater Duluth community, not just East High School.
