Interests & Experiences

Why are you interested in serving on a board or commission?

I have had an interest in being an active part of our city of Duluth, MN, but I never really knew how to get started. My colleague, Renee Van Nett, has suggested that I would be a wonderful fit for a city commission. After researching the numerous boards and commissions via the City of Duluth website, I believe this would be an excellent way for me to become an active resident in our great city!
