Comprehensive Plan Governing Principle and/or Policies and Current History (if applicable):

Governing Principle #8 - Encourage mix of activities, uses, and densities.

Econ. Dev. Policy #3 - Build on Existing Economic Strengths & Competitive Advantages
S9: Encourage expansion of the city's tourism economy through efforts to expand in areas of current activity, such as in Canal Park, but also through marketing and investment in destination neighborhoods and iconic tourism experiences unique to Duluth.

Applicant is proposing to provide another type of lodging product for visitors to the City of Duluth and surrounding area.

Future Land Use – Neighborhood Mixed Use: A transitional use between more intensive commercial uses and purely residential neighborhoods. Includes conversions of houses to office or live -workspaces. May include limited commercial only space oriented to neighborhood or specialty retail markets.

History: The two bedroom home is 1,290 square feet in size and constructed in 1910.

Review and Discussion Items:

1) Applicant's property is located at 11 South 54th Avenue East. The proposed vacation dwelling unit contains 2 bedrooms, which would allow for a maximum of 5 guests.

2) Vacation dwelling units located in Form districts are exempt from the number of interim use permits issued, minimum night stays and parking requirements. The applicant is proposing one parking space located on the northeast corner of the parcel.

2) Permit holders must designate a managing agent or local contact who resides with 25 miles of the City and who has authority to act for the owner in responding 24 hours a day to complaints from neighbors or the City. Permit holder must provide the contact information for the managing agent or local contact to all property owners within 100 feet of the property boundary. The applicant has listed themselves to serve as the managing agent.

5) The house has a deck in the back yard, which is screened with fencing and surrounded by trees and foliage.

6) A time limit on this Interim Use Permit ("IUP") is needed to minimize negative impacts to surrounding residential uses thereby causing damage to the public's health, safety and welfare. Section 50-20.3.U.7 states the IUP shall expire upon change in ownership of the property or in six years, whichever occurs first.
