Comprehensive Plan Governing Principle and/or Policies and Current History (if applicable):

Governing Principle #8 - Encourage mix of activities, uses, and densities.

- Econ. Dev. Policy #3 - Build on Existing Economic Strengths & Competitive Advantages
S9: Encourage expansion of the city's tourism economy through efforts to expand in areas of current activity, such as in Canal Park, but also through marketing and investment in destination neighborhoods and iconic tourism experiences unique to Duluth.

Applicant is proposing to provide another type of lodging product for visitors to the City of Duluth and surrounding area.

Future Land Use – Future Land Use – Central Business Secondary: An area adjacent to and supporting the central business primary area or a stand-alone area providing a similar mix of destination land uses but at a lower intensity than the primary CB area. Includes mixed regional and neighborhood retail, employment centers, public spaces, medium density residential, and public parking facilities.

History: Building is 5,208 square feet in size and constructed in 1891. Structure is currently a two-story 8-unit apartment building.

Review and Discussion Items:

- 1) Applicant's property is located at 7 North 19th Avenue West. The proposed vacation dwelling unit contains 2 bedrooms, which would allow for a maximum of 5 guests. The property currently consists of an 8-unit apartment building with units on the 1st and 2nd floors.
- 2) Vacation dwelling units located in Form districts are exempt from number of interim use permits issued, minimum night stays and parking requirements. There will not be any campers or trailers parked on the property.
- 3) There will not be any campers or trailers parked on the property.
- 4) The site does not have any outdoor amenities.
- 5) Vacation dwelling units located in form districts are exempt from onsite parking requirements. The applicant has stated that knowing they have dedicated parking is important to them, with street parking in front of the building being less of a sure thing. The applicant does have a preliminary agreement with a local business owner to lease up to 8 spots to ensure there is parking for their guests.

6) Permit holders must designate a managing agent or local contact who resides within 25 miles of the City and who has authority to act for the owner in responding 24 hours a day to complaints from neighbors or the City. Permit holder must provide the contact information for the managing agent or local contact to all property owners within 100 feet of the property boundary. The applicant has listed Heirloom Property management at 202 East 1st Street to serve as the managing agent.

7) A time limit on this Interim Use Permit ("IUP") is needed to minimize negative impacts to surrounding residential uses thereby causing damage to the public's health, safety and welfare. Section 50-20.3.U.7 states the IUP shall expire upon change in ownership of the property or in six years, whichever occurs first.

8) Applicant must comply with Vacation Regulations (included with staff report), including providing information to guests on city rules (included with staff report as "Selected City Ordinances on Parking, Parks, Pets, and Noise").

9) No comments from citizens, City staff, or any other entity were received regarding the application.

Staff Recommendation:

Based on the above findings, Staff recommends that Planning Commission recommend approval subject to the following:

- 1) The Interim Use Permit shall not be effective until the applicant has received all required licenses and permits for operation.
- 2) The applicant shall adhere to the terms and conditions listed in the Interim Use Permit.
