RESOLUTION APPROVING AN AGREEMENT BETWEEN THE CITY OF DULUTH AND THOMSON REUTERS FOR TWO ONLINE SUBSCRIPTIONS TO CLEAR FOR GOVERNMENT FRAUD SOFTWARE FOR AN INITIAL TERM OF THREE YEARS AT AN ANNUAL COST OF \$3,312.00 WITH ANNUAL INCREASES IN YEARS TWO AND THREE OF FIVE PERCENT.

CITY PROPOSAL:

Resolved, that the proper city officials are hereby authorized to execute and implement an agreement, substantially in the form of the attached Document A, with Thomson Reuters for two online subscriptions to CLEAR for government fraud for an initial term of three years at an annual cost of \$3,312.00 the first year with a five percent increase in years two and three, payable from fund number: 210-030-3132.

STATEMENT OF PURPOSE: This resolution authorizes the proper city officials to execute an agreement with Thomson Reuters for two online subscriptions to CLEAR for government fraud software for an initial term of three years. The CLEAR for government fraud software is a public records technology used to locate and identify potential concerns associated to people and businesses, which is necessary for the Life Safety division of the Duluth fire department when completing required investigations.
