RESOLUTION CONCURRING WITH COUNTY AWARD OF THE WOODLAND AVENUE AND CALVARY ROAD RECONSTRUCTION PROJECT.

CITY PROPOSAL:
RESOLVED, that pursuant to the requirements of Paragraph 4 of the Woodland Avenue and Calvary Road Reconstruction cooperative agreement (city contract no. 23650), the city hereby concurs with the award of the Woodland Avenue and Calvary Road reconstruction contract to Ulland Brothers, Inc., whereas the city's share of the contract is $2,203,421.45.

STATEMENT OF PURPOSE: The purpose of this resolution is to formally concur with the award of the construction contract for the Woodland Avenue and Calvary Road reconstruction project to Ulland Brothers, Inc., for utility improvements in the amount of $2,203,421.45.

The Woodland Avenue and Calvary Road reconstruction project is a combined project of the city and St. Louis County, pursuant to which the city will repair or replace utilities in the Woodland Avenue and Calvary Road right of way (city project no. 0940), and the county will demolish the streets themselves, and, when the utility work is completed, will construct a new driving surface for the streets. By these joint efforts, the city and the county will have completely reconstructed the streets and utilities. The city's share is payable out of the associated utility funds in the following amounts:

Water Fund 510	$1,169,578.28
Sanitary Sewer Fund 530	$ 425,528.75
Stormwater Fund 535	$ 608,314.42
