All that part of Stebner Road adjacent to and abutting Block 1, AIRPORT DIVISION, according to the recorded plat thereof, St. Louis County, Minnesota described as follows: Beginning at the Southwest corner of said Block 1; thence on a assumed bearing of North 00 degrees 19 minutes 00 seconds West, along the West line of said Block 1 for distance of 179.79 feet to the Easterly extension of the North line of Block 2, said AIRPORT DIVISION across said Stebner Road; thence North 87 degrees 56 minutes 25 seconds West, along said Easterly extension 33.03 feet to a line parallel with and distant 33.00 feet West of the West line of said Block 1; thence South 00 degrees 19 minutes 00 seconds East, along said parallel line 181.06 to the Westerly extension of the South line of said Block 1 across said Stebner Road; thence North 89 degrees 51 minutes 52 seconds East, along said Westerly extension 33.00 feet to the point of beginning. Said retained utility easement contains 5,954 square feet or 0.14 acres.

and

FURTHER RESOLVED, that the city clerk is, pursuant to Section 100 (b)(7) of the Home Rule Charter of the city of Duluth, 1912, as amended, authorized to record, with the register of deeds and/or the registrar of titles of Saint Louis County, Minnesota, a certified copy of this resolution showing the platted easement to be vacated.

STATEMENT OF PURPOSE: This resolution vacates a part of the platted Right of Way of Stebner Road (platted as Ralston Drive). This right of way is not needed for the safe and efficient circulation of automobiles, trucks, bicycles or pedestrians. The street right of way to be vacated is approximately 66 feet wide by 180 feet long. A portion of the Stebner right of way will be preserved as a utility easement to provide access for maintenance to an existing natural gas line, located in the eastern portion of the right of way.

This vacation is related to a proposed expansion of a structure (completion center) owned by Cirrus Aircraft.

There are two existing private water lines for the prison within this portion of Stebner Road to be vacated, but the water lines are looped to the east and removing or capping the water lines will not impact the prison.

On August 10, 2021, the Duluth city planning commission held a public hearing on the proposal as shown in Attachment 3, and voted 6 yeas, 0 nays, and 0 abstentions to recommend the city council approve the street easement vacation and retention of utility easement as shown in the exhibit, and referenced in the staff report as shown in Attachment 2.

The motion to approve the vacation by the city council must prevail with at least six affirmative votes.
