RESOLUTION APPROVING PROPOSED SPECIFICATIONS FOR THE NEW CIVIL SERVICE CLASSIFICATION OF STREET MAINTENANCE LEADWORKER, AND SPECIFYING CONTRACT BENEFITS FOR SAME.

CITY PROPOSAL:

RESOLVED, that the proposed specifications for the new civil service classification of street maintenance leadworker (attached as Exhibit A), which were approved by the civil service board on April 5, 2022, are approved. This classification shall be subject to the city's collective bargaining agreement with its basic unit employees; and that pay range for said classification shall be Range 32, pay rate of \$61,414 to \$72,087 per year.

STATEMENT OF PURPOSE: The new classification of street maintenance leadworker has been created to accurately describe the work that is required in this division. The leadworkers in this division were previously part of a citywide job classification, maintenance operations leadworker, which did not accurately represent their work. The pay range negotiated for the classification is Range 32, pay rate of \$61,414 to \$72,087 per year.
