STATEMENT OF PURPOSE: This ordinance grants K & J Auto, an auto body repair shop at 4002 Woodland Avenue, to park 12 vehicles within the right-of-way along Red Wing Street along the perimeter of the building. The space in question has been used without a concurrent use permit for decades. The permit as proposed and recommended by the planning commission includes a limited amount of cars that meet both parking design standards within the UDC, in addition to keeping the front entrance, garage door, and storm sewer from being obstructed.

On September 12, 2017, the planning commission held a public hearing on the proposal as shown in Attachment 2, and voted 6 yeas, 0 nays, 0 abstentions, to recommend that the city council approve the request for a concurrent use of streets.
