Ecolibrium3	Install semi-permanent interpretive kiosks at Lincoln Park	\$1,500
Duluth Climbers Coalition	ADA trail loop at Quarry Park	\$5,000
Piedmont Heights Amateur Hockey Association	Kitchen Renovations	\$5,000

STATEMENT OF PURPOSE: This resolution authorizes the disbursement of grant funds from the parks fund neighborhood grants program. Grant monies are intended to provide funding for neighborhood-based park enhancements, recreation services, recreation equipment and supplies, improvements, and programs on Duluth's parks, recreation and trails system. Organizations seeking funds must complete an application process facilitated by the Duluth Superior Area Community Foundation. A committee of foundation staff, parks and recreation commissioners, a city councilor, and city staff were invited to review the applications and provide recommendations to the parks and recreation commission. At its meeting on November 8, 2017, the commission reviewed and voted to recommend the organizations and disbursements authorized by this resolution.
