CITY PROPOSAL

RESOLVED, that the proper city officials are authorized to enter into a sub-recipient funding agreement with Independent School District 709 Adult Basic Education in the amount of \$6,579, substantially in the form as the attached hereto for services to be conducted in accordance to the terms and conditions set by the Women's Economic Security Act, Minnesota Women and High-Wage, High-Demand, Nontraditional Jobs Grant Program and master agreement between the city and state of Minnesota department of employment and economic development ("DEED"), funds to be paid from fund no. 268-031-6228-5441 (workforce development, grant division, miscellaneous workforce development grants, other services and charges).

STATEMENT OF PURPOSE: This resolution authorizes city officials to enter into a sub-recipient funding agreement with Independent School District 709 Adult Basic Education for employment and training services designed to prepare women and girls of color, women over age 50, and low income women by increasing awareness, exposure, and access to occupations in the skilled trades, and preparing them with the skills needed to enter into employment as carpenters, machine operators, plumbers, pipefitters, sheet metal workers and/or iron workers.
