- \$90,527.54 250-015-2015-5580, CE250-E1507 (Capital Equipment, Public Administration, Fiscal Year 2015, Capital Equipment; Capital Equipment Fund 250, Network Infrastructure Upgrades)
- \$34,093.51 250-015-2015-5580, CE250-E1510 (Capital Equipment, Public Administration, Fiscal Year 2015, Capital Equipment; Capital Equipment Fund 250, Network Storage Replacement)
- \$179,322.95 250-015-2016-5580, CE250-E1607 (Capital Equipment, Public Administration, Fiscal Year 2016, Capital Equipment; Capital Equipment Fund 250, Network Equipment Replacements)

STATEMENT OF PURPOSE: The purpose of this resolution is to authorize the City to purchase data center network equipment replacements for the Public Safety Building. This equipment includes CISCO core switches and a virtual server environment along with 5 years of hardware support, NetApp disk drive storage for network stored files along with 6 years of hardware support, as well as professional installation services from Insight in the amount of \$303,944.00 from capital funds 250-015-2015-5580-CE250-1507 in the amount of \$90,527.54, 250-015-2015-5580-CE250-1510 in the amount of 34,093.51, and 250-015-2016-5580-CE250-1607 in the amount of \$179,322.95. These replacements will address equipment nearing end of vendor support, high annual support fees due to current equipment age, criminal justice security segmentation, capacity constraints, improved performance, and greater redundancy for disaster recovery. Insight is a MN State contract vendor that offers extremely competitive pricing.
