RESOLUTION APPROVING PROPOSED AMENDMENTS TO THE SPECIFICATIONS FOR THE EXISTING CIVIL SERVICE CLASSIFICATION OF REGULATOR MECHANIC.

CITY PROPOSAL:

RESOLVED, that the proposed amendments to the specifications for the existing civil service classification of regulator mechanic (attached as Exhibit A), which were approved by the civil service board on July 17, 2023, are approved. This classification shall remain subject to the city's collective bargaining agreement with its basic unit employees; and that pay range for said classification shall change to Range 31, pay rate of \$60,157 to \$70,592 per year, from Range 30, pay rate of \$57,841 to \$68,121 per year.

STATEMENT OF PURPOSE: Human resources is currently undertaking a job description revision project for all existing job descriptions that were last revised more than 10 years ago. The intention of the project is to ensure that all city job descriptions are in a uniform format, using standard language for job requirements; the review also allows HR to remove any outdated verbiage and make sure that content related to technology or equipment is current. The existing classification of regulator mechanic has been revised as part of the job description review project. The pay range negotiated for this classification is Range 31, pay rate of \$60,157 to \$70,592 per year. This is a change from Range 30, pay rate of \$57,841 to \$68,121 per year.
