A license, unless revoked, is for the May 1 to April 30 year, or part thereof, for which it has been issued.

Sec. 14.5. Massage therapists; licenses required.

(a) No massage establishment licensee shall permit any person to perform a massage in the licensee's massage establishment unless such person is licensed as a massage therapist as provided herein. These training hours must be authenticated by a single provider through a certified copy of the transcript of academic record from the school issuing the training, degree or diploma. In the event the accredited program or accredited institution is no longer in existence, in the sole discretion of the city, a certified copy of the transcript of academic record may be accepted directly from the applicant with an affidavit stating said transcript of academic record is authentic. The transcript of academic record must be from a program or institution that was once accredited and approved by the issuing authority. (10) Such other relevant information as the chief of police shall require.

(e) The fee for such license shall be set in accordance with Section 31-6(a) of this Code. The license year shall be from May 1 to April 30 and shall not be prorated.

#### Sec. 14.6. Issuance; transfer of a license

(a) All applications for license under this Article shall be referred to the chief of police or designee who shall conduct any and all investigations to verify the information on the application, including ordering a computerized criminal history inquiry and/or a driver's license history inquiry on the applicant. The chief of police or designee is authorized to access data maintained in the Minnesota Bureau of Criminal Apprehensions (BCA) Computerized Criminal History information system in accordance with BCA policy. The chief of police or designee may order and conduct such additional investigations as it deems necessary, including but not limited to, contacting other agencies. In addition, all applications must include results of a comprehensive national criminal background check from a background investigative provider approved by the city. The national criminal background check is to be obtained and paid for by the applicant. No license under this Article shall be issued unless it is approved by the chief administrative officer upon advice from the police department. If the application is for a massage establishment license, no license shall be issued and unless the establishment has passed fire and health inspections. Additionally, the chief administrative officer shall not approve any license if he has reasonable grounds to believe:

(1) That the granting of said license would result in violations of the law;

(2) That the license application contains false or misleading statements; or

(3) That other good cause exists for denying the license.

(b) If the chief of police or chief administrative officer finds that they do not have adequate information to evaluate a license application, they may direct the applicant, manager or agent to appear at any reasonable time and place to give under oath information concerning the application. No license shall be granted to any applicant who refuses to appear and cooperate with the investigation.

(c) No massage therapist license issued under the provisions of this Article shall be assigned or transferred by the licensee.

(d) No transfer of a massage establishment license shall be permitted without complying with the requirements of an original application. Within 30 days of any change in the ownership or change in managers or officers of a licensed massage establishment, the license holder shall provide written notice of such change to the city clerk on the form required by the city. The form shall be accompanied by a fee which shall be set in accordance with Section 31-6(a) of this Code. The city clerk shall promptly refer the matter to

the chief of police or designee who shall conduct the investigation per subparagraph (a) above. No license shall be transferred unless it is approved by the chief administrative officer upon advice from the police department and unless the establishment has passed fire and health inspections. The failure of any license holder to comply with the provisions of this paragraph shall be grounds for the revocation of all licenses held by such license holder.

Sec. 14.7. Prohibited acts.

(a) No massage establishment shall:

Sec. 14.9. Licensee to maintain order on premises.

The licensee, or, in the case of a corporate licensee, the manager of any massage establishment shall personally supervise the business operations and shall have a non-delegable duty to insure that no acts of prostitution, sexual misconduct or other violations of this Article occur on the licensed premises. To this end, every act done in violation of this Article on the licensed premises by an employee, massage therapist, manager or agent of the licensee shall also be deemed to be an act of the licensee.

Sec. 14.10. Suspension and revocation of licenses.

The chief administrative officer may revoke or suspend any license issued pursuant to this Article if, after giving the licensee an opportunity to be heard on the matter, such officer finds:

(a) The licensee has violated a provision of this Article or any other law relating to the conduct of its operation including, but not limited to, state, federal or local laws on morals, prostitution, health, fire safety or liquor; or

(b) The licensee secured the license through misrepresentation or fraud or misstated any material fact in the application; or
