RESOLUTION ORDERING IN THE CONSTRUCTION OF APPROXIMATELY 34 FEET OF SANITARY SEWER IN MINNESOTA AVENUE FROM THE SOUTHEAST CORNER OF 18TH STREET AND EXTENDING NORTHERLY AT AN ESTIMATED COST NOT TO EXCEED \$7,000.

CITY PROPOSAL:

RESOLVED, that by Resolution of Intent 16-0398R the council did request that Administration prepare plans and specifications for the construction of approximately 34 feet of sanitary sewer in Minnesota Avenue from the southeast corner of 18th Street and extending northerly.

FURTHER RESOLVED, that said work be done by contract and that the estimated total cost of said improvement as estimated by the city engineer is \$7,000, payable from Sanitary Sewer Fund 530, Department/Agency 500 (Public Works & Utilities), Division 1905 (Capital), Object 5535 (Non-Capital Improvements), city project no. 1537, and all of these costs will be assessed to benefitting properties.

FURTHER RESOLVED, that assessments shall be levied upon lands benefitting per the preliminary assessment roll and may be paid in 15 annual installments at the municipal bond index fund rate plus 1.50 percent.

FURTHER RESOLVED, that the council order in subject project in accordance with the provisions of Section 61 of the City Charter and that said improvement be hereby ordered.

STATEMENT OF PURPOSE: This project was petitioned by the property owner. The extension of the Minnesota Avenue sanitary sewer would benefit that property by providing a new service for a new living space, and would provide a direct connection to the city sewer main.
