STATEMENT OF PURPOSE: This ordinance provides a zoning change from Residential-Traditional (R-1) and Mixed Use Neighborhood (MU-N) to Park and Open Space (P-1) and Rural Residential (RR-1) for properties near Lower Spirit Mountain on Grand Avenue, approximately between North 85<sup>th</sup> Avenue West and Spring Street.

---Additional Text to be provided shortly----

On May 8, 2018, the Duluth city planning commission held a public hearing on the proposal as shown in Attachment 3, and voted 5 yeas, 1 nay, 0 abstentions, to recommend that the city council approve the rezoning requested for the following reasons:

1) P-1 and RR-1 zones are most reasonably able to implement the objectives of the Comprehensive Plan

related to the proposed land use for this area.

2) The rezoning is consistent with the Comprehensive-Plan Future Land Use Map.

3) Material adverse impacts on nearby properties are not anticipated.

This rezoning contains, in part, a rezoning action from a residential district (R-1) to a special purpose district (P-1). However, as it is a result of a study of an area containing at least 40 acres of land (2017 Spirit Mountain Master Plan and 2015 Riverside Small Area Plan), and the proposed rezoning is a result of that study, and a finding has been made that that it would be impractical to obtain the written consent of landowners within 100 feet of the area to be rezoned, a simple majority by the city council is required to approve the affirmative vote (per 50-37.3.B.3).
