CITY PROPOSAL:

BE IT FURTHER RESOLVED, that the chief financial officer is hereby authorized to execute such agreements as necessary to implement the project on behalf of the applicant.

STATEMENT OF PURPOSE: This resolution authorizes the application to and, if offered, acceptance of a \$2,156,680 grant from the Greater Minnesota Regional Parks and Trails Commission for the Duluth Traverse.

On July 16, 2018, City Council approved application for, but not acceptance of, funding for this project. The granting agency strictly requires a resolution to apply for *and* accept funding; therefore, this request will replace resolution 18-0484R.

The application seeks full funding to complete conversion of 5.5 miles of the former Duluth Winnipeg and Pacific (DWP) Railroad bed from Spirit Mountain to the intersection of West Skyline Parkway and Becks Road to be a multi-use accessible trail. The application includes funds to repair and repurposing of the Sargent Creek Bridge, stabilization of rock cuts and tunnels at Elys Peak, connector trails, improvement of the existing parking lot opposite the Becks/West Skyline intersection, and some bike-optimized single track trails. The trail will complete the largest remaining gap in the Duluth Traverse multi-use trail system and serve as part of a nine-mile loop trail for equestrians. If approved, grant funds would be available in July of 2019 and have to be spent by July of 2020. Prior to design and construction, the City will conduct a public process to decide how the DWP trail should be surfaced, where there should and should not be a parallel single-track trail off the rail bed, and how user conflict should be mitigated and managed through a combination of signage, education, and enforcement. Local match is recommended by not strictly required. In the unlikely event that the entire \$2,156,680 request is funded, the City intends to provide match dollars through community contributions, half and half tax proceeds, and Park Fund dollars put aside annually for completion of the Duluth Traverse.
