STATEMENT OF PURPOSE: This resolution confirms the City's intention not to reassess the prior canceled assessments against the properties listed above.

The properties were in tax forfeit status and by reason of that, the City's assessments were cancelled. The properties have now been purchased through the St. Louis County's Land Department.

Under the statute referenced above the City Council has the discretion to reassess the property for the amount of the canceled assessment. A public hearing was held by the Special Assessments Board on May 14, 2019 and their recommendation is not to reassess the above referenced assessments to these properties. Minutes for the public hearing are attached as Exhibit A.
