STATEMENT OF PURPOSE: On January 28, 2019 the city council passed Resolution 19-0064R authorizing the city to apply for and distribute CDBG funds. This action was based on estimates of funding. On April 22, 2019 HUD notified the city of the final award amount which was an increase from the original estimate. This resolution rescinds the previous resolution and authorizes the projects identified. In addition to the increase in funds from HUD, this resolution also includes reprogramming previously unused funds from 2010 and 2016 HOME projects.

This resolution reflects the recommendations of the Community Development Committee (CD committee) with concurrence of the Community Planning manager. The CD committee solicited comments from organizations and citizens as related to the proposed FY 2019 funding for the HOME Investment Partnership Program. The recommendations contained in this resolution were developed based on consideration of citizen comments, the public hearing held on December 4th, 2018 and May 28, 2019, and the deliberations of the CD committee. There was a 30-day public comment period from November 3, 2018, to December 3, 2018 and another comment period from May 12, 2019 to June 10, 2019, on the 2019 annual action plan portion of the 2015-2019 consolidated plan, which also includes recommended funding for the 2019 CDBG, HOME and ESG programs. The CD committee held a public hearing on December 4, 2018 and May 28, 2019, to hear comments on the funding recommendations and then modified, if necessary, its initial amounts to reflect those comments. The CD committee's recommendations were finalized on May 28, 2019.

Source of Funds:

\$541,106 in new 2019 HUD HOME Funds and \$80,005 in reprogrammed HOME funds from 2010 and 2016.

The resolution, in addition to authorizing application for grant funds and administration of same when received, also takes the following actions:

- (a) Allocates funds by project for 2019 HOME Program.
- (b) Authorizes contracts for the activities upon receipt of the funding contract and completion of the environmental review process.
