RESOLVED, that the commissioner of transportation be and is hereby requested to approve this advance for financing approved municipal state aid projects of the municipality of Duluth in an amount up to \$4,000,000. The city of Duluth hereby authorizes payments from subsequent accruals to the municipal state aid construction account of the city of Duluth in accordance with the schedule herein indicated:

Repayment from entire future year allocation until fully repaid:

\$4,000,000 paid from year 2021.

STATEMENT OF PURPOSE: This resolution authorizes the proper city officials to request an advance from the city's 2021 municipal state aid street funds. The city has already paid the contractors for most of the 2018 and 2019 project costs and will soon acquire expenses on the 2020 projects. This request, if approved, allows the state to reimburse the city now, instead of after the city's 2021 apportionment is available.
