Lots 1 through 3 of block 1 will be a phased multi-family development, providing approximately 275 residential units. Outlot A will be used for storm water treatment purposes, which will be owned and operated by the Developer. Access to these 2 blocks will be from the intersection of Arrowhead Road and Stanford Avenue, extending south Stanford Avenue then east into Eischen Court. The plan also includes development of interior roads, sidewalks, and a stormwater treatment area on Outlot A to help address stormwater run-off.

The final plat will be considered by the planning commission on September 14, 2021 for approval of the final plat. On July 13, 2021, the city planning commission held a public hearing on the preliminary plat proposal and heard testimony from citizens.
