The purchasing division posted an invitation for bids on December 7, 2021, and received four bids. After careful review, the purchasing agent split the award and Duluth Ready Mix, Inc. was determined the low bid for Class V, 3/4-inch crushed, washed rock and washed sand. The prices shown below reflect a 19.5% increase from last year due to rising fuel prices and the increased demand brought on by the size and number of construction projects in the area.
