### CITY PROPOSAL:

RESOLVED, that the proposed amendments to the specifications for the existing civil service classification of technical services coordinator, including a title change to assistant chief of special operations (attached as Exhibit A), which were approved by the civil service board on September 13, 2022, are approved. The existing classification of technical services coordinator has been revised (including a title change to assistant chief of special operations) as part of the job description review project. There is no change in the pay range, which is Range 231, pay rate of \$ \$80,694 per year.
