RESOLUTION AWARDING A CONTRACT TO PARSONS ELECTRIC, LLC FOR THE LIFT STATIONS 9 & 26 IMPROVEMENTS PROJECT IN THE AMOUNT OF \$329,662.

CITY PROPOSAL:

RESOLVED, that the proper city officials are hereby authorized to enter into a contract with Parsons Electric, LLC for the Lift Stations 9 & 26 Improvements project in the amount of \$329,662, payable from Sanitary Sewer Utility Fund 530, Department/Agency 500 (Public Works & Utilities, Division 1905 (Capital Improvements), Object 5533 (Capital Improvements - Revenue), city project no. 1665.

STATEMENT OF PURPOSE: This resolution will authorize award of a contract to Parsons Electric, LLC in the amount of \$329,662. Parsons Electric was the only bidder to respond in the amount of \$577,936. The project originally included a third lift station, no. 17, and had an engineer's estimate for all three stations of \$450,000. Because the only bid received was substantially higher than the engineer's estimate, the contractor agreed to a reduction in the scope of work by eliminating the lift station 17 work from the award and the contract. Bid prices for the two stations being awarded are as follows:

Lift Station No. 9	\$162,261.00
Lift Station No. 26	<u>\$167,401.00</u>
	\$329,662.00

Improvements to lift station 17 will be re-bid in the future. Payable from Sanitary Sewer Utility Fund 530, Department/Agency 500 (Public Works & Utilities, Division 1905 (Capital Improvements), Object 5533 (Capital Improvements - Revenue), city project no. 1665, requisition no. 19-99241.
