

Council Agenda Item 26-0098R

MEETING DATE: February 9, 2026

SUBJECT/TITLE: Resolution authorizing a sole source purchase of programmable logic controllers (PLCs) from Van Meter to replace existing SCADA communication devices in the amount of \$64,995.18.

SUBMITTED BY: Ashley Lent

RECOMMENDATION: Approve

BOARD/COMMISSION/COMMITTEE RECOMMENDATION: n/a

PREVIOUS COUNCIL ACTION: No previous council action on this purchase.

BACKGROUND: This resolution will authorize the City to purchase 18 PLCs to be installed at various sites to improve SCADA communications. Van Meter is the regional provider of the brand of PLC required to remain standardized throughout the City.

BUDGET/FISCAL IMPACT: This is a budgeted expense for 2026; the totals per fund are within the budgeted amounts.

OPTIONS: Approve or remain outdated with SCADA communications on 18 sites. These sites include 10 lift stations, 3 gas sites, and 5 commercial gas sites.

NECESSARY ACTION: Approve sole source purchase
