SUBMITTED BY: William Bourassa, Fleet Services Division

RECOMMENDATION: Approve

BOARD/COMMISSION/COMMITTEE RECOMMENDATION: N/A

PREVIOUS COUNCIL ACTION:

BACKGROUND: Boyer Trucks parts and service are used because they are reliable, ensure proper fit and compatibility, and keep us within warranty specifications. Boyer Trucks-Superior is the regional dealership for the respective brands, Freightliner and Western Star Trucks. The contract will cover both routine maintenance and major repair costs on Freightliner and Western Star Trucks such as snowplow trucks, tandem axle dump trucks, and medium-duty service body trucks. The estimated annual usage Pos need to be adjusted throughout the year as need demands and we have had more Freightliner and Western Star parts and supply needs than we have for other brands.

BUDGET/FISCAL IMPACT: This increase will come from GL 660-015-5221-01. PO 26-0008 with Ascendance Trucks Central will be lowered by \$20,000.00 to cover this increase.

OPTIONS: Approve to continue supporting efficient and effective repair services to city owned Freightliner and Western Star trucks

NECESSARY ACTION: Approve the contract of parts and labor from Boyer Trucks Superior
