

Resolution/Ordinance Cover Memo

Council Agenda Item: 25-0889R

Meeting Date: 11/24/2025

Subject/Title: Network Architect (New)

Submitted By: Amber Royer Henderson

Recommendation: Approve

Board/Commission/Committee Recommendation: Approved by Civil Service on 04/01/2025

Previous Council Action: N/A

Background:

The new job classification of Network Architect is being created to assist with the extremely specialized network architecture we have due to the customization required in managing a network where we run police, SCADA, and credit cards alongside libraries, lighting controls and HVAC monitoring. This position will research and analyze emerging technologies to design, support, implement and maintain the integrity, scalability, and stability of the City LAN/WAN data and telecommunications network systems.

Budget/Fiscal Impact: Budgeted for current year

Options: N/A

Necessary Action: Approve
