TEMPORARY LICENSE AGREEMENT

This TEMPORARY LICENSE AGREEMENT (this “Agreement”) is by and between MOUNT ROYAL PINES LIMITED PARTNERSHIP, a Minnesota limited partnership (“Mount Royal Pines”) and the CITY OF DULUTH, a municipal corporation and political subdivision created and existing under the laws of the State of Minnesota (“City”).

WHEREAS, Mount Royal Pines owns the real property legally described on the attached Exhibit A (the “Mount Royal Pines Property”).

WHEREAS, City will be reconstructing St. Marie St. between Woodland Avenue and Wallace Avenue to: (i) replace the existing roadway with a new bituminous road with curb and gutter; (ii) install a new multi-use path; and (iii) replace watermains and storm sewer (collectively, the “Project”).

WHEREAS, during the Project, City needs to temporarily use space outside of the existing or to-be-dedicated right-of-way of St. Marie St. (the “City ROW”) for construction purposes.

WHEREAS, City desires to temporarily use that portion of the Mount Royal Pines Property depicted in black hashing on the attached Exhibit A (the “Licensed Premises”) in order to complete the Project, in addition to the following aspects: (i) tie in the Mount Royal Pines Property to the City ROW; (ii) slope grading; (iii) asphalt replacement; and/or, if applicable, (iv) restoration of vegetation disturbed during construction through re-seeding (collectively, the “Mount Royal Pines Work”). The scope of work for the Project shall include the Mount Royal Pines Work.

WHEREAS, Mount Royal Pines wishes to provide City with a temporary license over the Licensed Premises in order to complete the Project and the Mount Royal Pines Work.

NOW, THEREFORE, in consideration of the mutual covenants and conditions contained in this Agreement, the receipt and sufficiency of which is acknowledged, the parties agree as follows:

I. PERMISSION AND PROPERTY

Mount Royal Pines grants to City a temporary license to enter onto the Licensed Premises with all necessary tools, equipment, vehicles, and related materials for the purpose of completing the Project, including the Mount Royal Pines Work (the “License”). City, its employees, contractors, agents and subcontractors may enter onto the Licensed Premises at all times during the Term (defined below) for the purposes described in this Agreement. City may prune existing vegetation and may permanently remove trees within the Licensed Premises. City will not plant replacement trees due to potential interference with the City ROW. City will use its best efforts to remove only trees that might interfere with the City ROW and shall not remove trees simply

because they are within the Licensed Premises. Unless specified otherwise herein, upon completion of the Project, City shall restore all disturbed areas of the Licensed Premises to the equivalent, or better, of their condition prior to commencement of the Project. City shall have no ongoing responsibility as to the improvements within or condition of the Licensed Premises after restoration of the Licensed Premises.

II. TERM

Notwithstanding the date of execution of this Agreement, the term of this Agreement shall begin April 1, 2026, and shall expire at the end of the day on December 31, 2027, or when the Project is completed, whichever is sooner (the “Term”).

III. LAWS, RULES AND REGULATIONS

During the Term, City will conduct its activities related to this Agreement in strict compliance with the United States Constitution and with the applicable laws, rules, and regulations of the United States, State of Minnesota, St. Louis County, and City of Duluth.

IV. GOVERNMENT DATA PRACTICES

A. Mount Royal Pines shall comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by City under this Agreement, and as it applies to all data created, collected, received, stored, used, maintained or disseminated by Mount Royal Pines under this Agreement.

B. The civil remedies of Minnesota Statutes Section 13.08 apply to the release of the data referred to in this section by Mount Royal Pines. If Mount Royal Pines receives a request to release the data referred to in this section, Mount Royal Pines must immediately notify City and consult with City as to how it should respond to the request. Mount Royal Pines will hold City, its officers, and employees harmless from any claims resulting from Mount Royal Pines’s unlawful disclosure or use of data protected under state and federal laws.

This Agreement is to be construed and understood solely as an agreement between the parties hereto regarding the subject matter herein and shall not be deemed to create any rights in any other person or on any other matter. No person, organization, or business shall have the right to make claim that they are a third party beneficiary of this Agreement or of any of the terms and conditions hereof, which, as between the parties hereto, may be waived at any time by mutual agreement between the parties hereto.
