

Council Agenda Item 26-0557R

MEETING DATE: June 15, 2026

SUBJECT/TITLE: RESOLUTION AUTHORIZING THE REPROGRAMMING OF 2019, 2021, AND 2022 COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS FOR 2023 AND 2024 CDBG PROJECTS AND ADMINISTRATION.

SUBMITTED BY: Jenn Moses, Planning & Development Division Manager

RECOMMENDATION: Approve.

BOARD/COMMISSION/COMMITTEE RECOMMENDATION: The 2019, 2021, and 2022 CDBG program funds were recommended for approval by the CD Committee and City Council by resolutions in previous meetings. The Citizen Participation Plan for CD funds states that if fiscal changes are less than twenty (20) percent of a funding allocation, then funding recommendations are to be made by the Division Manager to City Council for action. This reprogramming resolution meets this requirement.

PREVIOUS COUNCIL ACTION: This resolution revises resolutions 19-0063R, 21-0078R, 22-0041R, 23-0056R, and 24-0036R.

BACKGROUND: The City of Duluth is an entitlement community that receives Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD) to assist low- to moderate-income residents. The City is required to spend CDBG funds within five years; if the funds cannot be spent, then they must be reprogrammed. The three projects proposed for reprogramming did not go forward as proposed or did not draw down all allocated funds. These reprogramming recommendations are consistent with the Community Development application scores during the 2023 and 2024 application process.

BUDGET/FISCAL IMPACT: Council authorizes the reprogramming of the 2019, 2021, and 2022 CDBG funds to the following:

- a) 2023 Acquisition Demolition Program – City of Duluth in the amount of \$38,527.10; and
- b) 2024 Multi-Modal Transportation Access – City of Duluth in the amount of \$45,000.00.

OPTIONS: Authorize the reprogramming of funds to both recommended projects, some projects, or withhold funding.

NECESSARY ACTION: Authorize the reprogramming of funds in the stated amounts.
