

Council Agenda Item

MEETING DATE: March 23, 2026

SUBJECT/TITLE: A RESOLUTION AUTHORIZING THE PURCHASE OF THREE FORD F250 CREW CAB PICKUPS FROM MIDWAY FORD FOR THE AMOUNT OF \$160,921.11 PER MN STATE CONTRACT T-642(5) CONTRACT NUMBER 259180.

SUBMITTED BY: William Bourassa, Fleet Services Division

RECOMMENDATION: Approve

BOARD/COMMISSION/COMMITTEE RECOMMENDATION: N/A

PREVIOUS COUNCIL ACTION: Council Resolution 25-0919R approving 2026 Capital Equipment budget.

BACKGROUND: This resolution authorizes the purchase of three pickup trucks from Midway Ford for the amount of \$160,921.11 per Minnesota State Contract T-642(5), contract number 259180. This purchase is budgeted for in 2026 Capital Equipment Plan. The 2014-2015 Fleet Study found that, in order to minimize total City vehicle costs for purchase and maintenance, vehicles of this kind should be replaced before they reach 10 years in service. This purchase will replace unit 3223 2008 Ford F250, 8955 2007 Chevrolet 2500, and 8956 2008 Ford F250. These units, being 18 and 19 years in service are far past their useful life with bodies rusting beyond repair. The three existing units will be sold at public auctions.

BUDGET/FISCAL IMPACT: This purchase is budgeted for in the 2026 Capital Improvement Plan.

OPTIONS: Approve to continue supporting safe and effective street maintenance operations.

NECESSARY ACTION: Approve the purchase of three Ford F250 pickup trucks.
